The attached spreadsheet summarized the major components of your spending against 2002 2RF Budget through the month of September. Project spending is isolated from base costs for your convenience. We would greatly appreciate it if you would review the spreadsheet and provide us with explanations for those deviations of \$100,000 or greater. Please let Chris Tarzia or I know if you have any questions or concerns.

Thank you,
Caron

WSA Sept 2002
